

COLLABORATIVE MONITORING OF REGIONAL LIFELONG LEARNING POLICIES

COMORELP PROJECT

lll-hub.eu/comorelp/

WHY COMORELP?

To enhance transnational learning by building a **community of EU regional stakeholders** and exchange on **lifelong learning policies**.

OUR GOALS:

- Compare: a **review of LLL policies at regional level**, a **multi-stakeholder self-assessment exercise**; and a **benchmarking tool**.
- Stakeholders cooperation: **regional and European exchanges on lifelong learning policies and good practices**.
- Draw lessons from the process: both in terms of **quality assurance** and in terms of **policy recommendations**.

OUR TOOLS:

BENCHMARKING & POLICY LAB

- To **create awareness and stimulate discussion**
- To **build transparent monitoring capacity**
- To **stimulate improvement and evidence-based policies**
- To **support learning through dialogue and comparison**

FOR WHOM?

- **Regional governments, administrations and other decision makers**
- **Learners and educators representatives**
- **Education, training and research institutions**
- **Civil society, NGOs and other stakeholders**

Representing **FORMAL, NON-FORMAL & INFORMAL** learning
